SUMIT KUMAR

8434418930 ⋄ Pune,Maharashtra

kumarsumit84344@gmail.com | LinkedIn | GitHub

OBJECTIVE

Software Engineer with **2 years** of experience in **Persistent System**, Proficient in Front-end development ,including knowledge in components,services,directives and modules.Familiar with version control tools like Git and Github.Committed to delivering high-quality code that meets the highest standard of efficiency and quality.

EDUCATION

Bachelor of Technology in Electronic and communication Engineering.   2018-2022

SKILLS

Primary Skills: Angular,Python

Secondary Skills: Javascript, Typescript,React, Nodejs

CERTIFICATIONS

- Microsoft Azure AZ-900 Fundamental.(Link)
- AWS Certified Cloud Practitioner.(Link)
- GenAI Practitioner

EXPERIENCE

Software Engineer | Persistent Systems | Pune,Maharashtra | *July-2022 - Present*

- Developed and maintained user interface for multiple screens within IBM Product Master(IPM) application using Angular framework.
- Utilized Angular functionalities like components,directives,and services to build interactive and efficient UIs.
- Collaborated with back-ends developer to integrate the Angular application with IBM Product Master using RESTful APIs.

Software Engineer Intern | Persistent Systems | Pune,Maharashtra | *Feb 2022 - July 2022*

- Gained proficiency in developing interactive and efficient user interfaces using Angular's core building blocks like components, directives, and services. Deepened understanding of JavaScript fundamentals for dynamic web interactions.
- Explored and gained foundational Knowledge of AWS cloud computing services,equipping myself with the potential to leverage cloud solutions in future projects.

PROJECTS

Zomato UI Prototype (Try Here) :
- Developed a UI prototype using angular, implementing components,services,directives,and custom user authentication using angular guards.

Online flight Booking :
- Built a combination of Angular(front-end),RxJS(data handling),Node.js(back-end),and MongoDB(database) for booking dummy flight tickets with an excellent user interface.
